

Our Muslim Neighbors

A Panel Discussion

JOIN US for a free panel presentation and discussion, featuring several Muslim Americans from different professions, ages, and genders.

As busy Americans, we often miss out on meeting or genuinely interacting with the Muslims who are our neighbors and colleagues. Here is an opportunity to engage with Muslims from all walks of life and get to know them directly, beyond what is presented in the media or the internet, without third-party biases and agendas.

All questions are welcome, but we do require that you speak with civility, respect, and avoid any adversarial behavior.

Come meet Our Muslim Neighbors!
